STATINTL MEMORANDUM FOR: [REDACTED]
FROM : [REDACTED]
Office of General Counsel
SUBJECT : Director of Personnel Request for Legal Opinion as to
GEHA Insurance Release Form

After reviewing the Privacy Act, 5 U.S.C. §552a, I agree that the use of OMS files for insurance application review purposes is not a "routine use" as that term is defined in the Act. Accordingly, I would recommend that use of the proposed release be limited to those cases where medical information contained in a medical statement requires, as Mr. Janney states, "professional evaluation beyond the capabilities of Insurance Branch personnel." Further, I would recommend additional language at the end of the release statement, such as, "and waive, for these purposes, the provisions of the Privacy Act, 5 U.S.C. §442a (1974) which limit such disclosure."
